2

Drizly enables retailers to bring their inventory online quickly and provides access to millions of online alcohol shoppers

3

Drizly helps retailers increase visibility, acquire new customers and drive incremental sales

50%

of Drizly customers are new to each store

75%

of customers repeat at the same store

About Drizly:

Retailers can offer delivery and shipping for beer, wine & spirits.

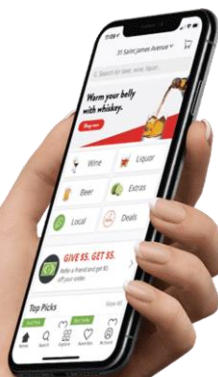

The retailer is responsible for inventory, price, delivery radius/hours and fulfilling the order.

Most orders are placed for immediate delivery.

Pricing models vary by market. You are only billed for product sold. No signup, maintenance or cancellation fees.

\$35k

Average retailer product transaction sales in April 2020
